EXECUTIVE OFFICER

Dear Supervisors:

**APPROVAL OF AMENDMENT TO STATE CONTRACT  
WITH  
THE STATE OF CALIFORNIA-DEPARTMENT OF MENTAL HEALTH  
FOR FISCAL YEAR 2008-09  
(ALL SUPERVISORIAL DISTRICTS)  
(3 VOTES)**

**SUBJECT**

Accept and approve Amendment No. 1 to the State Contract for Kirsten Deichert, Legislative and Public Information Officer, to continue services at the State of California-Department of Mental Health from October 21, 2008, through June 30, 2009.

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Accept and approve Amendment No. 1 (Attachment) from the State of California-Department of Mental Health (State) to Contract No. 06-76191-000, with the County of Los Angeles-Department of Mental Health (DMH), for continuation of services provided by Ms. Deichert. This Amendment will be effective upon Board approval through June 30, 2009. The cost of the Contract is \$90,474 and will be fully reimbursed by the State.
2. Instruct the Director of Mental Health, or his designee, to sign two copies of the Amendment and forward them to the State.

*"To Enrich Lives Through Effective and Caring Service"*

### **PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS**

The requested actions will extend the term of the Contract to enable Ms. Deichert to continue assisting the State in responding to the increased external communications related to the Mental Health Services Act (MHSA) (Proposition 63).

This action is necessary to extend the October 20, 2008, expiration of the County contract with the State regarding Ms. Deichert's work with the State. Due to the delays in passing the Fiscal Year (FY) 2008-09 State Budget, as well as the July 31, 2008, Executive Order (S 09-08) suspending certain contracts including the contract that covers Ms. Deichert's position, the State will not be able to hire Ms. Deichert as an employee by October 20, 2008, as stated in the current contract. DMH is requesting this action to ensure that Ms. Deichert will continue to use her expertise to assist with the State as well as the County.

In addition to her assistance to the State, Ms. Deichert will continue to deliver her unique perspective and experience obtained through her work with the County to the State's planning and implementation of the MHSA. Given that the County is the largest and most diverse county in California, representation by Ms. Deichert helps to ensure that the County's unique needs are better understood and represented at the State level. Increasing the State's understanding of the County's perspective will help better align State requirements with the County's priorities.

### **Implementation of Strategic Plan Goals**

The recommended Board actions support Goal 7, "Health and Mental Health" of the County Strategic Plan. Board approval will extend the terms of the Contract between the State and DMH and allow Ms. Deichert to continue her services to the State.

### **FISCAL IMPACT/FINANCING**

There is no net County cost.

The State will reimburse DMH for Ms. Deichert's services up to \$90,474 for the cost of the Contract from October 21, 2008, through June 30, 2009.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The proposed actions have been reviewed and approved by County Counsel and the Chief Executive Office (CEO).

On October 3, 2006, the Board approved a State contract for Ms. Deichert's services for the period of October 20, 2006, through October 20, 2008, at which time it was expected Ms. Deichert would become a State employee at the end of the contract period. However, the State has indicated that due to the delay in adoption of the FY 2008-09 State Budget and the absence of any existing suitable examinations, they will not be able to hire Ms. Deichert as an employee by October 20, 2008. Board approval of this Amendment will allow the State the time necessary to hire Ms. Deichert as a permanent State employee.

Furthermore, with the July 31, 2008, suspension of certain contracts, including the contract that covers Ms. Deichert's position, DMH has not been compensated for Ms. Deichert's salary subsequent to the Executive Order for the months of August and may not be compensated for September. During the period of State contract suspension, Ms. Deichert has discontinued her work for the State, and as a County employee, Ms. Deichert has performed work assigned to her by DMH that has been accomplished through a telecommuting arrangement consistent with County DMH policies regarding alternative work schedules. DMH will continue this work arrangement until the contract is reinstated or amended.

Limiting the term of the Contract to the remainder of this fiscal year should avoid this situation for the County in the future should there be another year in which a State budget is not passed by July 1.

Should the State not hire Ms. Deichert by June 30, 2009, DMH will give Ms. Deichert an opportunity to continue her employment with the County with job duties applicable to her position, and based in the County area.

#### **IMPACT ON CURRENT SERVICES**

Approval of the recommended action will have no impact on current services since it is an extension of contract terms.

**CONCLUSION**

The Department of Mental Health needs one copy of the adopted Board actions. It is requested that the Executive Officer, Board of Supervisors, notify the Department of Mental Health, Contracts Development and Administration Division, at (213) 738-4684 when this document is available.

Respectfully submitted,
